Exclusive Multi-Year National Distribution Rights

MASTER LICENSE DISTRIBUTORSHIP

INTERNATIONAL DRUG AWARENESS RESEARCH FOUNDATION (IDARF) has produced a commercial package highlighting its Internationally acclaimed signature product and wishes to make commercial arrangements with international partners who will have the responsibility for distributing IDARF's copyrighted products through a unique marketing and distribution system.

IDARF's signature product is a poster titled **The Self-Destructive Use of Drugs**. It is used as a teaching and learning tool from a prevention perspective and seen by thousands of families in communities world-wide and have received public endorsements from some of the best known organizations in the United States, Canada and from around the world.

IDARF has developed a Foreign Nation Distributorship Program (FNDP).

Features include:

IDARF will transfer the rights to distribute **THE SELF DESTRUCTIVE USE OF DRUGS** translated into the language of the country.

The contracting organization will have the exclusive rights to distribute **The Self-Destructive Use of Drugs** throughout their entire country or for a specific region for a pre-agreed period of time to our target market groups.

These agreements can be established on a multi-year basis with of end of contract renewal options.

To obtain product samples and a complete information kit including our standard license agreement and compensation plan [click here](#).
